[Visual Bug] The images of the products do not match the names in the "Our favorite preppy pieces" section.

AttachAdd a child issueLink issue⌵⋮

Description

Precondition

Delete cache and cookie files in the browser

Steps to reproduce

1. Open page <https://www.zalando.co.uk/campaigns/streetwear-trend-college-and-varsity/>

2. Scroll down to "Our favorite preppy pieces"

3. Hit the "right arrow" icon

Actual result

Starting with "PEACED UNISEX - Jumper" from Obey Clothing, the image has shifted by 1 position. Now the sweater has the image of sneakers.

Expected result

All product images must match the name. For example, the "PEACED UNISEX" Jumper position has a picture of the Jumper, and the position " DUNK - trainers" displays a picture of the sneakers.

Environment

MacOS Ventura 13.2.1

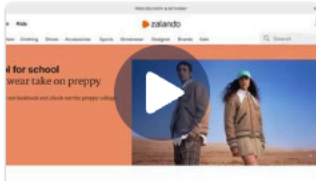

Google Chrom Version (110.0.5481.100)
