Actual result Created 4 days ago Updated 2 days ago [Configure](#)

- For "Most Popular" - 262 680
- For "New" sorting type - 262 690
- For "Lowest Price" - 262 682
- For "Highest Price" - 262 687

Expected result

The number of products to display must be the same in one section, independent of the sorting type.
